1. Application

This communication is relevant to all insurers registered or deemed to have been registered under the Long-term Insurance Act, 1998 (Act No. 52 of 1998) (LTI Act), the Short-term Insurance Act, 1998 (Act No. 53 of 1998) (STI Act), or both, as the case may be, including where the registration of insurers is subsequently converted to a license under the Insurance Act, 2017 (Act No. 18 of 2017) (Insurance Act) in accordance with item 6(2) of Schedule 3 of the Insurance Act, and persons licensed under the Insurance Act.

2. Purpose

This communication sets out the status of the following instruments issued under the LTI Act and the STI Act on and after the effective date of the Insurance Act:

- Directives;

- Board Notices;
- Insurance Notices;
- Information Letters; and
- Guidance Notes.

This communication does not relate to Regulations and Policyholder Protection Rules made under these Acts, and Information Requests issued under these Acts.

3. Background

The LTI Act and STI Act, pre 1 July 2018, provide for both the prudential and conduct of business legislative frameworks for insurers prior to effective date of the Insurance Act. Over the course of a number of years, various instruments were issued under the LTI Act and STI Act to facilitate the administration of the aforementioned Acts. These included Directives, Board Notices, Insurance Notices, Information Letters and Guidance Notes.

Post 1 July 2018, the Insurance Act provides for the prudential legislative framework for insurers. The commencement date of the Insurance Act is 1 July 2018. The Insurance Act repeals all prudential requirements currently provided for in the LTI Act and STI Act. The remaining sections of the LTI Act and STI Act will provide the conduct of business legal framework for insurers pending the enactment and implementation of the envisaged Conduct of Financial Institutions Act.

Post 1 July 2018, the Financial Sector Conduct Authority is the responsible authority for the LTI Act and STI Act and the Prudential Authority is the responsible authority for the Insurance Act.

This means that not all the instruments issued under the LTI Act and STI Act will remain in force or be relevant post 1 July 2018. This communication, in the Annexure, therefore sets out which of the instruments –

- remain in force;
- are withdrawn / lapse on the effective date of the Insurance Act; and
- are no longer relevant.

4. Application of instruments

Instruments that remain in force may contain references to –

- (a) sections in the LTI Act and STI Act which have been repealed by the Insurance Act;
- (b) other instruments that have been withdrawn / lapsed as indicated in the Annexure to this Notice (e.g. Directive 159.A.i); and
- (c) specific requirements in the Regulations and Policyholder Protection Rules under the LTI Act and STI Act that have been removed or replaced by a new or similar requirement through the Tranche 1 and/or 2 amendments to the Regulations and Policyholder Protection Rules under the LTI Act and STI Act.

A reference referred to in paragraphs (a) and (b) above as well as a reference to a specific requirement that has been removed, as referred to in paragraph (c), and which has not been replaced by a similar requirement, must be interpreted as being

obsolete. A reference to a specific requirement that has been replaced by a new or similar requirement as referred to in paragraph (c) must be interpreted as a reference to the new or similar requirement.

5. Annexure

The status of instruments issued under the LTI Act and the STI Act on the effective date of the Insurance Act is set out in the Annexure.
